DRAMA 317: COSPLAY INTENSIVE
A Term (June 24 – July 24) MW 8:30 – 11:50
4 credits VLPA

- Anime enthusiasts, costume professionals, makers, performers, fiber artists and design students

- learn how to use professional shop equipment, machine and hand sewing techniques

- learn basic sewing skills or take your current skills to the next level

- complete a wearable costume

Class will focus on design, research and fabrication. The student will explore armour mediums. The aim of this class is to support the participant in fabricating their character.
