The Mt. Baker-Snoqualmie National Forest, located on the western slopes of Washington’s Cascade Mountains, is recruiting applicants for six Student Conservation Association recreation and wilderness crew members that start during the summer of 2020. We are seeking candidates with a desire to work outdoors, engage the public with these wild places, and may want a career in public land management. Members receive a one-time $1,100 round trip travel allowance, $150 weekly living allowance, housing at the ranger station, eligibility for a $1,612 AmeriCorps education award, and an exceptional life/career experience. Application period is open until positions are filled.
