

School of Environmental and Forest Sciences

Master of Environmental Horticulture (MEH)

Program of Study Form

Student Name: _____	Student Number: _____
Student Signature: _____	Date: _____

The completed Program of Study Form assures that the student and the Supervisory Committee members clarify and agree on coursework to be completed for the degree. For MEH students, this form must be filed with the Graduate Advisor in the SEFS Office of Student and Academic Services **no later than the end of the second quarter** in residence. It will be filed in the student’s permanent file. To revise a program of study, the student must consult with their Supervisory Committee. Upon revision, an updated form must be completed (with new signatures) and filed with the Office of Student and Academic Services.

IMPORTANT INSTRUCTIONS

1. Please fill in ALL Shaded areas of the form.
2. Before this form is filed, a permanent Supervisory Committee must be established. To request committee establishment, email sefsgpa@uw.edu with the names and emails of your Committee Chair and members.
3. An annual review of progress with the Supervisory Committee is required, and must be noted on this form.
4. Petitions to substitute or waive required coursework must be made by submitting a “[Graduate Program Requirement Petition Form](#)” along with required materials to the Supervisory Committee and then the Graduate Program Coordinator for final decision.
5. To graduate, all [UW Graduate School requirements](#), the MEH program coursework, and final project/presentation must be completed. MEH students must [apply to graduate](#) with the Graduate School, and submit their completed and approved project to their committee by the last day of the quarter in which they will graduate.

	CLASS NUMBER AND TITLE	Qtr/Yr	Credits (45 minimum required)	Grade (Minimum 18 graded)
Required	SEFS 500 Graduate Orientation Seminar		1	
	SEFS 503 Current Issues in Restoration & Horticulture		4 min*	
	SEFS 549 Urban Horticulture Seminar		2	
	SEFS 561 Professional Presentations in Environmental and Forest Sciences		3	
	SEFS 590 Landscape Plant Recognition		3	
Restricted Electives	Minimum 18 credits at 400 or 500 level (++see list of approved Restricted Elective courses below)			

	CLASS NUMBER AND TITLE	Qtr/Yr	Credits (45 minimum required)	Grade (Minimum 18 graded)
Additional Electives	Minimum 5 credits at 400 or 500 level			
MEH Project / Internship	SEFS 600 and/or SEFS 601 (minimum 9 credits)			
	Proposed Project title:	Chair's approval signature and date:		
Note				

*must be taken every quarter of each academic year

This program of study has been approved by the student's Supervisory Committee, with each committee member's signature below:

++Approved Restricted Elective Courses for the Master of Environmental Horticulture (MEH) degree

- SEFS 506 Terrestrial Invasion Ecology (5 cr)
- SEFS 510 Graduate Studies in Forest Soils (3 cr)
- SEFS 523 Environmental Applications of Plants: Bioenergy and Bioremediation (3 cr)
- SEFS 530 Introduction to Restoration Ecology (3 or 5 cr)
- SEFS 574 Restoration Problem Solving: Ecological Engineering (5 cr)
- ESRM 411 Plant Propagation: Principles and Practice (3 cr)
- ESRM 412 Native Plant Production (3 cr)
- ESRM 462, 463, 464 Restoration Ecology Capstone (10 credits, 3-quarter course sequence)
- ESRM 473 Restoration of North American Ecosystems (5 cr)
- ESRM 478 Plant Ecophysiology (5 cr)
- ESRM 479 Restoration Design (5 cr)
