ESRM Capstone Guide

Do you have to do a Capstone?

Are you in the Wildlife Conservation or Restoration Ecology option?

Do you want to do a capstone?

- Want Departmental Honors credits?
- Want to build up your resume for grad school?
- Need 10 W credits and want to complete them in ESRM?
- Want to explore a topic of interest?

No worries, you don’t have to! You do need to take 10 more 400-level ESRM credits instead.

Do you want to do a restoration ecology project?

Do you want Departmental Honors?

More or less writing?
